RURAL CREDITS DISCUSSED AT GRANGE MEETING

Rural credits was the prominent feature in the discussion at the regular meeting of the Malheur County Pomona Grange held last Saturday at the Kingman Colony school house. That the farmers of this section have been taking a great deal of interest in the question of rural credits was evidenced by the general knowledge of the subject shown by those present. During the discussion of the merits of the federal system of rural credits and the proposed Oregon state farm loan bill to be voted on under the

initiative measures were brought out. While general appreciation of the perfection of the federal system was expressed the larger portion of those present appeared to be in favor of having the state measure also.

A. G. Kingman spoke on the tax situation in the county from the standpoint of the mass meeting called by the county court. The results of that meeting gave him but little encouragement as there were only four actual farmers present. The meeting, according to Mr. Kingman, resolved itself into a general kicking committee that was in no way prepared and made no attempt to get at the fundamental troubles, if there were any.

The Kingman Colony orchestra.

under the direction of Miss Maxwell, furnished the music for the occasion, rendering a program of classical, interspersed with popular numbers, in a most delightful manner.

The officers for the Pomona for the ensuing two years were elected as follows: Master, E. M. Dean; overseer, C. E. Amidon; lecturer, W. W. Howard; steward, Tom Lowe; assistant steward, Chas. Thompson; lady assistant steward, Mrs. Addington; gate keeper, Harold Von Reuden; chaplain, Mrs. A. E. Kimball; treasurer, Gu Johnson; Ceres, Mrs. Wall; Pomona, Mrs. Tom Lowe; Flora, Mrs. J. T. Long.

Resolutions, commemorating the death of one of the members and officers, Mrs. E. J. Rich, were adopted as follows:

Whereas, h'Ve Divine Master in His Infinite wisdom has removed from our midst our beloved sister and officer Mrs. E. J. Rich, and,

Whereas, we, the members of the Malheur County Pomona Grange wish to give expression to the sense of our loss and out heartfelt sympathy for the bereaved family.

Now therefore, be it resolved, that we, the members of the Malheur County Pomona Grange extend our sincere sympathy to the family of our late sister, Mrs. E. J. Rich, and,

Be it further resolved, that a copy of these resolutions be spread upon the minutes of our order, and a copy be sent to our bereaved brother, Mr. E. J. Rich.

THE UNIVERSAL INSTRUMENT

Thirty years ago the telephone was a luxury. Today, through personal initiative and private enterprise, it has become a necessity within the reach of everybody. Where once a business had but one telephone with a limited talking range, today that business has service with a range three-quarters of a continent broad, and every branch of every business is linked to every other by an intercommunicating telephone system.

The telephone has earned its responsible place and there are now 8,000,000 Bell telephones in this country, over which go 26,000,000 talks daily.

Every Bell Telephone is a Long Distance Station.

Pendleton Normal School Proven Necessity

(Copied from Portland Oregonian.)

MONMOUTH, Ore., June 28.—The Oregon Normal school opened this week. Students enrolled 755, largest on record for state Normal in Oregon. . . . how to care for large student body a problem . . . 800 being crowded into auditorium with seating capacity of 550. Galleries filled with extra chairs in aisles. More than 150 students seated on platform. New boarding houses completed, additions to rooming houses built and tents used. One hundred girls sleep on upper floor of school.

The official school report gives 150 grade pupils in Monmouth, for teacher practice.

Read what those you have elected to handle the affairs of your state and who are thoroughly informed regarding school conditions in Oregon have to say concerning measure 308 on the ballot at the coming election:

By James Withycombe, Governor of Oregon:

"Oregon is unquestionably in need of more normal school work and Pendleton is the logical place for a school of this class in Eastern Oregon."

By J. A. Churchill, State Superintendent of Public Instruction:

"I trust that the voters of the State will assist in raising the standard of our schools by establishing a State Normal School at Pendleton."

By P. L. Campbell, President of the University of Oregon:

"At least one additional Normal School is urgently needed in Oregon."

By W. J. Kerr, President of the Oregon Agricultural College:

"Since the people of Pendleton are initiating a measure for the establishment of a Normal School at that place, it will give me pleasure to support this measure."

By J. H. Ackerman, President Oregon Normal School, at Menmouth:

"A careful analysis of the situation will convince any one that Oregon needs a Normal School in Eastern Oregon and Pendleton fills all the government requirements."

By the County School Superintendents of Oregon:

"Resolved, that it is the sense of the County School Superintendents of the State of Oregon, in convention assembled, that the best interests of the schools of the State demand increased facilities for the training of teachers, and that we, therefore, endorse the initiative measure to establish a Normal School at Pendleton."

By Mrs. Charles H. Castner, President of the Oregon Federation of Women's Clubs:

"I most heartily endorse the location of said Normal School at Pendleton."

Prof. Robert C. French, Former President of the Normal School Located at Weston:

"An immediate establishment of such a school at some central point such as Pendleton would prove a great asset to the State of Oregon."

B. F. Mulkey, Ex President Southern Oregon Normal School:

"I shall support the location of an Eastern Oregon Normal School at Pendleton."

State Board of Regents of Oregon Normal School declares that "the necessity for additional Normal school facilities in Oregon is apparent."

Portland Chamber of Commerce endorses measure 308 and says Pendleton most logical location for Normal school in Eastern Oregon.
